Parking and Building Access:

The parking garage is located in the **559 block of San Jacinto, between Texas Ave and Prairie, right across the street from Christ Church Cathedral**. This is the **Episcopal Diocese/Christ Church Cathedral** garage. On Saturdays the garage is open. If the arm is down, pull a ticket and bring it inside so a Beacon staff member can validate your ticket for free parking.

Where do I go after I park?

After you park, you will want to take the stairs/elevators closest to San Jacinto St (which is the only stairwell with an elevator next to it). **Go to the ground level and exit the stairwell to the left. Follow the walkway through the garden. There will be a sign hanging that will point you to the volunteer entrance of the Beacon.** The volunteer entrance faces Texas Ave and is adjacent to the Episcopal Dioceses Office. **Please refrain from using the Prairie St entrance** as it is reserved for clients. If you reach the entrance and the door is locked, please press the doorbell on the right side of the entrance. This will signify one of the Beacon staff members to come and let you in.
